# PAVĀRU MĀJA

## LĪGATNĒ

Pavāru Mājā vīns nav tikai ēdiena sabiedrotais – tas ir saruna starp vīnogulāju, vīndari un šķīvi tavā priekšā.

Mūsu vīna karti veido Juris Semjonovs, WSET 3. līmeņa someljē, kura pieredze aptver gan ražas gadus, gan garšas, gan stāstus, kas slēpjas aiz katras etiķetes. Juris vīnus izvēlas ar tādu pašu rūpību un radošumu kā mūsu virtuve: meklējot vīnus, kas izceļas ar kvalitāti un vienlaikus atbildīgu izcelsmi.

Liela daļa mūsu kolekcijas nāk no sertificētiem bioloģiskajiem un biodinamiskajiem vīna dārziem, kur vīndarišanā galvenā loma ir augsnes veselībai, bioloģiskajai daudzveidībai un minimālai iejaukšanās. Mēs atbalstām tos, kas strādā saskaņā ar dabu, saglabājot ekosistēmas un tradīcijas nākamajām paaudzēm.

Ilgspēja mums nav modes vārds – tā ir vērtība. Katrs vīns ir personīgi nogaršots un apstiprināts, lai atspoguļotu trīs lietu harmoniju: amatniecību, rūpes par vidi un baudījumu, kas raksturo mūsu restorānu.

Pacel glāzi par godu aizrautīgiem vīndariem, godīgam vīnam un dabas nepārejošajam skaistumam.

At Pavāru Māja, wine is more than a pairing – it is a dialogue between vineyard, winemaker, and the plate before you.

Our wine program is curated by Juris Semjonovs, WSET Level 3 Sommelier, whose expertise spans vintages, terroirs, and the stories behind every label. Juris selects wines with the same precision and creativity as our kitchen: seeking bottles that are not only exceptional in quality, but also responsible in origin.

The majority of our collection comes from certified organic and biodynamic vineyards, where soil health, biodiversity, and minimal intervention guide the winemaking process. We support producers who work in harmony with nature, preserving ecosystems and traditions for future generations.

Sustainability is not just a label for us – it is a principle. Every bottle has been personally tasted and approved to ensure it reflects the harmony of craftsmanship, environmental stewardship, and gastronomic pleasure that defines our restaurant.

Raise your glass, and join us in celebrating passionate growers, honest winemaking, and the enduring beauty of the natural world.

## Kafijas stāsts Coffee story

Pavāru Māja izvēlas Latvijā grauzdētu kafiju no KALVE coffee roasters.  
Tā ir 100% arābika no bioloģiski sertificētas saimniecības Brazīlijā, Fazenda Minamihara, San Paulu.

Ilgospēja ir mūsu darbības kodols. Tā ne tikai atspoguļojas procesos, materiālos un pakalpojumos, bet arī tiešā komunikācijā ar piegādātājiem un kafijas audzētājiem. KALVE ir arī vienīgais uzņēmums Latvijā un pirmais Baltijā, kas saņēmis "B-Corp" ilgtspējas sertifikātu – zelta standartu ESG risku pārvaldībā.

**KALVE**  
COFFEE ROASTERS

Pavāru Māja chooses coffee roasted in Latvia from KALVE coffee roasters.  
It is 100% Arabica from a certified organic farm in Brazil, Fazenda Minamihara, São Paulo.

Sustainability is at the core of our operations. It is reflected not only in our processes, materials, and services but also in direct communication with suppliers and coffee growers. KALVE is also the only company in Latvia and the first in the Baltics to receive the "B-Corp" sustainability certification—the gold standard in ESG risk management.
